GNETS Services Flow Chart

Georgia Network for Educational and Therapeutic Support

A student currently being served in SPED has behavior problems at their school and it is believed GNETS may be an option. (GNETS services are only for students served in SPED). School personnel contacts Special Education Director or designee with concerns (outlining frequency, duration and intensity of behavior problems). A check list of "Guiding Questions" is completed to determine whether more work is needed at the school level or to proceed with GNETS involvement.
